Dear [Redacted]

The responses to a recent survey covering the use and distribution of Government-Sponsored Research on Foreign Affairs indicate that recipients use it for multiple alerting purposes, and a majority favor more frequent publication. Therefore, starting with the fourth quarter of fiscal year 1977, we plan to publish and distribute information on newly-reported projects on a quarterly basis. We will not, however, attempt to update information on those projects reported in earlier volumes.

The purpose of this memorandum is to ask that you send us by October 30, 1977, a completed Foreign Affairs Research Summary (Form DS-1728) for: 1) all projects initiated during the fourth quarter of fiscal year 1977, and 2) any projects initiated since July 1, 1976, that you have not reported previously.

Please let us know if you need any additional forms DS-1728, or if you have any questions regarding this request.

Sincerely,

Barbara W. Morlet

(Mrs.) Barbara W. Morlet
Deputy Director for
Research Services
Office of External Research
